

PATRIOT

Countertop Steamer

Patriot's countertop steamer is perfect for keeping tortillas, pitas, bread and so much more hot and fresh at the push of a button. Great for use in any kitchen with its small footprint and compact size. This steamer accommodates one half-size pan. The easy to use push button operation provides a quick shot of heat in seconds that instantly heats up your food. The exterior of the unit is constructed of stainless steel and has a black powder coated top. The interior well is constructed of cast aluminum and is easy to clean. The self contained water reservoir allows for easy filling and disposing of water with no water line hook-up needed. This unit includes a stainless steel perforated half pan, an on/off rocker switch and comes with a 4' power cord with a NEMA 5-15 plug. This item is CE certified and backed by a 1 year warranty.
